Reminders and Future Meetings

Norms: Info hasn't been presented to the board yet. Confidentiality is important.

After the meeting on February 2, meetings will be limited to once a month. An updated schedule will be posted to the Google Drive.

The next goal is to provide long-term recommendations for High School enrollment mitigation.

Elementary Case Study: Lockwood Elementary

Options for boundary moves from the Transportation Team:

- Could move 60 students from Lockwood to Kenmore Elementary
- Could move 45 students from Shelton View to Frank Love
- Will have pocket maps available next time to see the impact in the area

Latest EAP testing data is in tonight's packet.

Dawn reviewed other available documents in the packet to help with recommendations.

Minutes

Minutes from the 1.5.2023 meeting were approved after the group reviewed.
