The link will be live on Monday - if you check on Sunday, you won't have access - sorry!

First place in 23 events and 101 students moving on to the State Conference? Can we say WOW to our FBLA students and Advisor **Ian Barnes**?

2. Registration for 2022-23 School Year - UPDATED

Believe it or not, we are closing in on Registration for next year! Forms will be distributed on Thursday February 17 during Advisory to all 9th, 10th and 11th grade students. A Family Registration Night is scheduled for Thursday March 3 with times below:

- Electives Fair: Building 3 from 5 PM to 6 PM
- Incoming 9th Grade Families (current 8th graders): Commons @ 6 PM
- Incoming 10th, 11th and 12th grade families (current NCHS kids): Theater @ 6 PM
- Incoming Students with Highly Capable Services: Gym @ 5:15 PM
- Incoming Students with IEPs: Art Room @ 5:15 PM

At the Electives Fair, you'll be able to meet teachers and learn about many of the electives we offer to students! It's a great opportunity to learn and get your questions answered!

If you have questions about Registration, I encourage you to attend! Additionally, it's critical that students select the courses they truly want to take as there will be extremely limited schedule changes next fall.

Registration forms will be collected the week of March 7-11 in English and Social Studies classes. Please be sure to sign the form and the new Automatic Advancement notification.

3. Key Club Service Opportunity for all North Creek Students!

Hey Jags! We are announcing a new service opportunity that is open to all students. From March 21-25, we will be collecting items in the cafeteria to donate to a local community food bank. Students will be able to receive 0.5 hours per item from Key Club (with a max of 2 hours) and we encourage all students to donate. We ask for non-perishable food items like canned food, cereal, packaged pasta, granola bars. If there are any questions, please reach out to us through email @northcreekkeyclub@gmail.com or @northcreekkeyclub on Instagram.

Wednesday, March 9th: Late Elementary

Thursday, March 10th: Middle Schools, SAS, and out of district

Friday, March 11th: High School

Spirit Week Items on Buses

Please remind your students that large items and items that can become projectiles during an accident are not allowed in any Northshore Vehicle. This includes but is not limited to Skateboards, bats, larger instruments, etc. A good guideline is that it should fit in a backpack, or the student should be able to hold it in their lap with their backpack while another student is seated next to them with their items. If the student has to ask, then it's probably a good idea that they have a parent transport the item for them.
