

Editors,

The Northshore School District is excited to hold its fourth annual State of Our Schools event on Wednesday, March 10, 2021. Through this event the District will connect with the community and share both where the District has been and what's on the horizon.

Please let us know if we can be of further assistance.

FOR IMMEDIATE RELEASE

**Northshore School District to Hold Fourth Annual State of Our Schools**

Bothell, Wash. – On Wednesday, March 10, 2021 the Northshore School District will hold its fourth annual State of Our Schools virtual event. Superintendent Michelle Reid, Ed.D., will share the District's successes from the past year, provide exciting updates on new buildings, and share how we look forward to turning the page with reopening schools of the future.

The event will also feature student musicians, spoken word performances and a few opportunities for viewers to engage in work around the District's strategic plan and the 2022 ballot measures.
