

**WA State SEBB School Employment Transfer Form
Navia Benefit Solutions**

If you enroll in the Medical Flexible Spending Arrangement (FSA) or Dependent Care Assistance Program (DCAP) and later change jobs to work at another Washington State school district, educational service district, or charter school, your enrollment may continue if your new position is eligible for participation in the School Employees Benefits Board (SEBB) Program Medical FSA and DCAP. To be eligible to transfer your Medical FSA and/or DCAP benefit, the lapse between employments must be 30 days or less and within the same plan year, and the hours you are anticipated to work cannot have changed.

Submit this form to your new payroll or benefits office **no later than 31 days** after the first day of work. Your payroll or benefits office must submit your form to Navia Benefit Solutions for processing. Your per-paycheck deductions will increase, if necessary, to meet the annual contribution amounts by the end of the plan year.

Note: An employment transfer is not a qualifying event to change your Medical FSA or DCAP election amounts.
